TS1340

Offering many of the fantastic features found on larger Tesab Scalpers/ Reclaimers, the TS1340 is perfect for contractors who don't need higher capacities but who want the same excellent screening performance.

With one of the highest stockpile heights and largest screening areas available on this class of machine, the TS1340 is in a league of its own. Plus, we've made sure that it's easy for you to transport so you're not out unnecessary transport or downtime costs.

If you need an Efficient, Dependable and Highly Productive mid-range Scalper / Reclaimer then you'll go far to find better than the TS1340.

Features & Benefits

- A Large Size 12' x 4'6" (3.66m x 1.37m) Screenbox provides Superior Screening Performance
- High Quality Components makes this one of the most Dependable Machines on the Market
- Perfect for Contractors needing High Performance Mobile Screening
- Fast Setup and Economical to Transport

Engineered for Power, Built to Last
